NORTH EAST INNER CITY PROGRAMME OFFICE REPORT

Further to last month's report on projects approved for 2018 NEIC funding, it has been confirmed that the Department of Justice & Equality will fund the second round of Garda CCTV extension. This means that the total funding approved is now €1.356M of the €2.5M 2018 RAPID funding allocated to the NEIC Initiative by the Department of Rural & Community Development. That leaves a balance of €1.144 yet to be allocated to proposals to be brought forward to the Programme Implementation Board via the four Sub-Groups. A list of all proposals funded to date is attached at Appendix 1.

The Board met on Wednesday 25th April at City Clinic (HSE Addiction Services), Amiens St. Dr. Des Crowley GP and Joanne Sexton, Psychotherapist gave a presentation to the Board on the day to day work of the Clinic and the challenges faced. Paschal Donohoe T.D., Minister for Finance and Public Expenditure & Reform attended the meeting for an update and discussion on the work of the Board.

The main updates presented by the Sub-Groups at the Board meeting were as follows:

Sub-Group 1 – Tackling Crime and Drugs

Fitzgibbon St. Garda Station

Following completion of the planning process required under Part 9 of Planning and Development Regulations 2001 (S.I. 600/2001) in February 2018 enabling works will commence on site in the coming weeks. The plans for the refurbished Garda Station will include a central hub for the Divisional Drugs Unit and the number of members assigned to the Unit will be increased back to optimum level.

Garda resources

An additional 40 Gardaí (35 Probationer Gardaí from the Garda College and a further 5 trained members on transfer) commenced duties in the Division on 3rd April. The new members will be deployed in high visibility patrols on specific community policing beats to counter drug dealing and intimidation.

Community Policing Plan

Further to the assignment of additional Garda resources development of a new community policing plan is now underway. The new plan will build on the current SAP (Small Area Policing) model and will take into account the actions and recommendation identified in The Mulvey Report. Submissions can be e-mailed to store_street_dv@garda.ie or posted to Chief Superintendent, An Garda Síochána, Store Street, Dublin 1 by 25th May 2018.

Community Support Vehicle

A new community support van has been purchased and fit out is expected to be completed by end May. The vehicle will be placed in selected locations around the Division to provide a

focal point for local communities and the general public to engage positively and directly with An Garda Síochána on the ground.

Intimidation Seminar

A public seminar to discuss issues associated with drugs intimidation in the area is being arranged for the end of May. The seminar will be led by the Local Drugs & Alcohol Task Force. A facilitator will be appointed to manage the event and report on its outcomes and recommendations.
