NORTH EAST INNER CITY (NEIC) INITIATIVE COMMUNITY GRANT SCHEME 2019 – ROUND 2

SCHEME GUIDELINES

Background:

In June 2017, the North East Inner City Programme Implementation Board (NEIC PIB) was established by the Government to oversee projects directly linked to delivering actions identified in the Mulvey Report “Dublin North East Inner City – Creating a Brighter Future”. Four priority areas for action were identified in the report: 1. Tackling Crime & Drugs 2. Employment and Training 3. Family, Children and Youth Services and 4. Improving the Physical Landscape and a working subgroup for each key area, overseen by the NEIC PIB, is now operating under the relevant Government Department/Agency.

The NEIC PIB approved a total of €100,000 funding for an NEIC Community Grant Scheme 2019, to be administered by the NEIC Programme Office in 2 rounds. This year’s Schemes is focusing on two overarching themes.

Theme No. 1 ‘Brooms and Blooms’ – clean-up and enhance your street

Theme No. 2 Active Living, Recreation and Wellbeing

The purpose of the Scheme is to financially support North East Inner City communities in delivering their own projects at local level where it can be demonstrated that such projects will contribute to the achievement of the objectives of the NEIC PIB under one or both themes which have been identified as priority.
