## Profile

*Tell us a bit about you, what your strengths are and what you might like to study or work at (3 or 4 sentences here is plenty).*

## Education

*Include the education you have so far. We are interested to know your qualification and the subjects you studied. If you have your results and would like to share them, that would be good but you don't have to.*

Leaving Cert Applied	Pass
Junior Cert	English (O3), Irish (O6), Maths (O5), Science (F3)

## Work Experience

*You might not have any work experience yet and that is no problem – if you don't have any, just delete this section. If you have any work experience, please list the employer, your role (or you can write 'Work Experience' if it was work experience rather than a paid job), the dates you were there and your key responsibilities. It would also be great to hear what you learned from the experience.*
